**IN TOUGH TIMES,
WE ALL NEED SOMETHING
TO LOOK FORWARD TO.**

In these tough and uncertain times, what you require is a tough, hardworking and dependable employee that supports you. One that is prepared to shoulder the burden, go the extra mile, lower costs and do everything in its power to increase your business output.

WHEN IT COMES TO PICK-UPS, THEY'RE OUR SOLE FOCUS.

Whilst other motor manufacturers have chosen to diversify, offering everything in their range from city cars to luxury SUV's, we at Isuzu chose to stick to what we know and do best – producing class leading pick-ups. That's why we are known as 'The Pick-Up Professionals'.

- Engine** – All new, improved fuel efficiency, 2.5 twin turbo, 163 PS with 400 Nm of torque
- Towing Capacity** – 3000kg of pure pulling power
- New Body Options** – Single cab, extended cab (with side access panel), double cab
- Off-Road** – New switchable 4x4 system, Electronic Stability Control (ESC), Traction Control System (TCS) with ABS
- Transmission** – New 6 speed manual
New 5 speed automatic with sequential shift

THE ISUZU D-MAX GETS THE JOB DONE. NO QUESTIONS ASKED.

When other pick-ups deliver excuses to compensate for their shortcomings, the Isuzu D-Max simply delivers. It's truly built for the job. Tough on the outside but with all the features and comfort that you require on the inside.

All of images shown are the Isuzu D-Max Thai spec. UK spec. may vary.
